UX/UI DESIGNER

Maria Lluberes

I work to demonstrate my design capabilities to an audience looking to explore an artistic side of what digital design can achieve through user experience and visual storytelling. While continuously learning, I'm both adamant about giving my 100% and working to apply my skills to create memorable experiences!

Experience

2026-CURRENT

MENTOR

KDI Design Lab - Fall

Mentored a group of students in an 8-week UX program focused on teaching and developing portfolio-ready case studies, including guiding through the design process and presentation skills.

2026-CURRENT

GRAPHIC DESIGNER

Knights Design Interactive

Designed and assisted in organization's official website, creating visual assets and design components whilst collaborating with other designers and web team.

2026-CURRENT

ART DIRECTOR

Maximum Productions "Eternity"

Led primary character and environmental concept development, collaborated with project lead on visual presentation, and translated director feedback to other artists working on the film.
